

# Google Open Source Peer Bonus

November 10, 2023

Dear Cory LaViska,

On behalf of Google Open Source, I would like to thank you for your contribution to Shoelace.

We are honored to present you with a Google Open Source Peer Bonus. Inside the company, Googlers can give a similar bonus to each other for going above and beyond, so this is just a small way of saying thank you for your hard work and contributions to open source.

We hope you enjoy this gift from all of us at Google and Laurent Picard who nominated you.

Thank you again for supporting open source! We look forward to your continued contributions.

Best regards,

Timothy Jordan  
Director of Google Open Source
